

Grade 10 English Composition - Sierra Leone Curriculum

This curriculum focuses on developing strong writing skills for Grade 10 students in Sierra Leone. Students will learn various forms of composition, including essays, reports, and creative writing, with emphasis on Sierra Leonean culture and context.

Learning Objectives:

- Write clear and coherent essays
- Develop argumentative writing skills
- Create descriptive compositions about Sierra Leone
- Master formal and informal writing styles
- Use proper grammar and vocabulary

Content Overview:

Unit 1: Essay Writing

Students learn to write persuasive essays on topics relevant to Sierra Leone, such as environmental conservation, education, and cultural preservation.

Unit 2: Descriptive Writing

Focus on describing Sierra Leonean landscapes, traditions, and cultural events. Students practice using sensory details and vivid language.

Unit 3: Narrative Writing

Students create stories set in Sierra Leone, incorporating local settings, characters, and cultural elements.

Unit 4: Report Writing

Learn to write formal reports on topics such as Sierra Leone's history, geography, and current events.

Assessment:

Students will be assessed through: • Weekly writing assignments • Peer review sessions • Portfolio development • Final composition project on Sierra Leone topics
